NZD

Daily: Both AUD & NZD appear to have put in 'Double Tops':

- Both 'Stochs' & MACD turn down.
- Interest Rate differentials appear to have turned down: bearish for AUD & NZD. (USD/NZD differentials not shown)
- Both 'Com Dols' breach 18 day MA & Gann *2x1* initial Supports
- Note both contracts exhibit 'Type 1 Bearish Divergences', ie, higher price highs vs lower tech highs.
- Will 200 day MA act as Support?
