Oats: Daily

If Grain markets rebound after recent corrections, will Oats join in and re-test $4.00+ levels?

- 'Stochs' turn up.
- MACD on the verge of turning up?
- Upside break-out of $3.60 Gann lines Resistance & 18 day MA fuels the bulls' case.

- Not shown: while Commercials are off their record short position (back in February), they are still quite short. Small Specs have pared down their long position, ie the excesses are wrung out.
