TSE 60: 'Double Top' at long-term 900 Resistance?

Values have not been able to breach Resistance @ 900, set in 2008, just prior to global markets' downturn. Recent attempts to overcome this hurdle have been rebuffed, setting up possible 'Double Top'. Bears point out:

- Weekly Technicals turn down.
- 6 month Gann *1x1* uptrend breached.
- 20 week MA breached.
